## 2023-2024 NORCAL ODYSSEY OF THE MIND

Coach training consists of two **VERY** important parts that build on each other: the *Online Self-Paced Training Modules* and the **LIVE Online Webinar**, which experts will run. You will build your knowledge of the program by learning the rules and concepts and gaining Odyssey coaching skills that will help guide your students through this amazing journey. Start the Online Modules TODAY and get signed up to attend an Online Live Webinar.

### To get started on self-paced training modules:

1. Go to <https://training.norcalodyssey.org>
2. Click “Coaches”
3. At the bottom of the page, choose “Self-Paced Coach Training Modules”
4. Follow the steps to register if new to the site
5. You will see the list of courses. Click on Introduction Video to Coaches Training to begin your online training.
