

Odyssey of the Mind WebApp Directions

The Odyssey of the Mind App is actually a bookmark that you add to your Home Screen <u>HERE</u> are the directions (posted by Odyssey HQ) for getting it loaded on your phone

Add to Home Screen

1. Search "odyssey of the mind app" while in Safari or Chrome. Choose the link that says WebApp Installation

2. Click on the share icon (square with arrow pointing up)

3. Scroll down to find the option: Add to Home Screen

Here's where it is on Safari

Here's where it is on Chrome
